2. Tenders must state the rates of delivery in the Madras Salt Depot per 100 bags and per candy of twine respectively. They may be for the supply of the whole quantity of bags and twine required, or for any portion thereof not being less than five thousand (5,000) bags or five (5) candies of twine. They must be accompanied by samples and by a deposit of Rupees five hundred (500) in cash or Currency Notes, which will, on application, be returned to those persons whose tenders may not be accepted. They will be opened by the Commissioner on Tuesday, 6th January 1880, at his Office at 2 P.M., when all persons interested will be at liberty to attend in person or by agent.

3. The successful tenderer will be required to enter into an agreement on or before 9th January 1880 for the delivery of one-half of the bags, or twine, or both, for which his tender is accepted, on or before the 10th of March 1880, and of the other half within thirty days thereafter; and at the same time to furnish security in the sum of Rupees fifteen hundred (1,500) in cash or Currency Notes (including the sum of Rs. 500, above-mentioned), or in Government Promissory Notes endorsed in the name of the Commissioner of Salt Revenue for the time being (in which latter case the prior deposit of Rs. 500 will be at once returned), for the proper performance of his agreement. Provided always that in case any tender is accepted for any number of bags or quantity of twine less than the whole number or quantity required, a proportionate reduction will be made in the amount of security required. But in no case will a smaller sum than Rupees five hundred (500) be accepted as security.

4. The bags and twine will be examined on delivery by a Committee appointed by the Commissioner, and payment will be made within three days for all passed as corresponding with the samples accompanying the accepted tender. All bags and twine rejected by the Committee must be replaced by articles satisfactory to them within three days, failing which the Commissioner will proceed to supply the deficiency by purchase at his discretion in the local market at the expense and risk of the contractor. In case the Committee shall be equally divided in opinion, or if the contractor shall dispute their decision on any matter, it shall be referred for the orders of the Commissioner, which shall be final and conclusive and liable to no question or appeal whatsoever.

5. Failure to execute agreement and furnish deposit as required by clause 2 hereof will entail forfeiture of the deposit of Rupees five hundred (500).

6. Failure to supply bags, or twine, or both, as the case may be, will entail the forfeiture of the deposit made under clause 3 hereof, or of so much thereof as to the Commissioner of Salt Revenue shall seem equitable.

7. In case of such failure as is above mentioned in clauses 5 and 6 hereof, the Commissioner of Salt Revenue shall be at liberty to make such arrangements as he thinks fit for procuring the bags, or twine, or both, at the risk and expense of the successful tenderer, who shall be responsible for any loss or damage caused by such failure, but who shall not be entitled to share in any savings which, in such case, the Commissioner may be able to effect in the purchase of the said bags, or twine, or both.

8. The contract may not be sublet or transferred without the permission of the Commissioner of Salt Revenue.

9. The Commissioner of Salt Revenue does not bind himself to accept the lowest or any tender and will give no reasons for his rejection of tenders.

10. Samples of the bags and twine now in use for the transport of salt may be seen, and all further information obtained, on application at the Office of the undersigned.

The Egyptian Government has given notice that on 1st January 1880 a light will be exhibited on the north shore of Suez bay, as a leading light through the deep water channel westward of Newport rock, and the channel near the Spit buoy, thence to the anchorage in about 5 fathoms water.

GUNNY BAGS AND TWINE.

Tenders invited for.

The Commissioner of Salt Revenue, Madras Presidency, hereby invites sealed tenders to be presented at his Office on or before Monday, the 5th day of January 1880, for the supply of—

I.—Fifty thousand (50,000) two-maund gunny bags suitable for the conveyance of salt in boats; and

II.—Fifty (50) candies of five hundred (500) lbs. each of twine suitable for stitching up the said salt bags.

2. Tenders must state the rates of delivery in the Madras Salt Depot per 100 bags and per candy of twine respectively. They may be for the supply of the whole quantity of bags and twine required, or for any portion thereof not being less than five thousand (5,000) bags or five (5) candies of twine. They must be accompanied by samples and by a deposit of Rupees five hundred (500) in cash or Currency Notes, which will, on application, be returned to those persons whose tenders may not be accepted. They will be opened by the Commissioner on Tuesday, 6th January 1880, at his Office at 2 P.M., when all persons interested will be at liberty to attend in person or by agent.

3. The successful tenderer will be required to enter into an agreement on or before 9th January 1880 for the delivery of one-half of the bags, or twine, or both, for which his tender is accepted, on or before the 10th of March 1880, and of the other half within thirty days thereafter; and at the same time to furnish security in the sum of Rupees fifteen hundred (1,500) in cash or Currency Notes (including the sum of Rs. 500, above-mentioned), or in Government Promissory Notes endorsed in the name of the Commissioner of Salt Revenue for the time being (in which latter case the prior deposit of Rs. 500 will be at once returned), for the proper performance of his agreement. Provided always that in case any tender is accepted for any number of bags or quantity of twine less than the whole number or quantity required, a proportionate reduction will be made in the amount of security required. But in no case will a smaller sum than Rupees five hundred (500) be accepted as security.

4. The bags and twine will be examined on delivery by a Committee appointed by the Commissioner, and payment will be made within three days for all passed as corresponding with the samples accompanying the accepted tender. All bags and twine rejected by the Committee must be replaced by articles satisfactory to them within three days, failing which the Commissioner will proceed to supply the deficiency by purchase at his discretion in the local market at the expense and risk of the contractor. In case the Committee shall be equally divided in opinion, or if the contractor shall dispute their decision on any matter, it shall be referred for the orders of the Commissioner, which shall be final and conclusive and liable to no question or appeal whatsoever.

5. Failure to execute agreement and furnish deposit as required by clause 2 hereof will entail forfeiture of the deposit of Rupees five hundred (500).

6. Failure to supply bags, or twine, or both, as the case may be, will entail the forfeiture of the deposit made under clause 3 hereof, or of so much thereof as to the Commissioner of Salt Revenue shall seem equitable.

7. In case of such failure as is above mentioned in clauses 5 and 6 hereof, the Commissioner of Salt Revenue shall be at liberty to make such arrangements as he thinks fit for procuring the bags, or twine, or both, at the risk and expense of the successful tenderer, who shall be responsible for any loss or damage caused by such failure, but who shall not be entitled to share in any savings which, in such case, the Commissioner may be able to effect in the purchase of the said bags, or twine, or both.

8. The contract may not be sublet or transferred without the permission of the Commissioner of Salt Revenue.

9. The Commissioner of Salt Revenue does not bind himself to accept the lowest or any tender and will give no reasons for his rejection of tenders.

10. Samples of the bags and twine now in use for the transport of salt may be seen, and all further information obtained, on application at the Office of the undersigned.

H. W. BLISS,

Commr. of Salt Revenue,
Madras Presidency.

GUNNY BAGS AND TWINE.

Tenders invited for.

The Commissioner of Salt Revenue, Madras Presidency, hereby invites sealed tenders to be presented at his Office on or before Monday, the 5th day of January 1880, for the supply of—

I.—Fifty thousand (50,000) two-maund gunny bags suitable for the conveyance of salt in boats; and

II.—Fifty (50) candies of five hundred (500) lbs. each of twine suitable for stitching up the said salt bags.

2. Tenders must state the rates of delivery in the Madras Salt Depot per 100 bags and per candy of twine respectively. They may be for the supply of the whole quantity of bags and twine

required, or for any portion thereof not being less than five thousand (5,000) bags or five (5) candies of twine. They must be accompanied by samples and by a deposit of Rupees five hundred (500) in cash or Currency Notes, which will, on application, be returned to those persons whose tenders may not be accepted. They will be opened by the Commissioner on Tuesday, 6th January 1880, at his Office at 2 p.m., when all persons interested will be at liberty to attend in person or by agent.

3. The successful tenderer will be required to enter into an agreement on or before 9th January 1880 for the delivery of one-half of the bags, or twine, or both, for which his tender is accepted, on or before the 10th of March 1880, and of the other half within thirty days thereafter; and at the same time to furnish security in the sum of Rupees fifteen hundred (1,500) in cash or Currency Notes (including the sum of Rs. 500, above-mentioned), or in Government Promissory Notes endorsed in the name of the Commissioner of Salt Revenue for the time being (in which latter case the prior deposit of Rs. 500 will be at once returned), for the proper performance of his agreement. Provided always that in case any tender is accepted for any number of bags or quantity of twine less than the whole number or quantity required, a proportionate reduction will be made in the amount of security required. But in no case will a smaller sum than Rupees five hundred (500) be accepted as security.

4. The bags and twine will be examined on delivery by a Committee appointed by the Commissioner, and payment will be made within three days for all passed as corresponding with the samples accompanying the accepted tender. All bags and twine rejected by the Committee must be replaced by articles satisfactory to them within three days, failing which the Commissioner will proceed to supply the deficiency by purchase at his discretion in the local market at the expense and risk of the contractor. In case the Committee shall be equally divided in opinion, or if the contractor shall dispute their decision on any matter, it shall be referred for the orders of the Commissioner, which shall be final and conclusive and liable to no question or appeal whatsoever.

5. Failure to execute agreement and furnish deposit as required by clause 2 hereof will entail forfeiture of the deposit of Rupees five hundred (500).

6. Failure to supply bags, or twine, or both, as the case may be, will entail the forfeiture of the deposit made under clause 3 hereof, or of so much thereof as to the Commissioner of Salt Revenue shall seem equitable.

7. In case of such failure as is above mentioned in clauses 5 and 6 hereof, the Commissioner of Salt Revenue shall be at liberty to make such arrangements as he thinks fit for procuring the bags, or twine, or both, at the risk and expense of the successful tenderer, who shall be responsible for any loss or damage caused by such failure, but who shall not be entitled to share in any savings which, in such case, the Commissioner may be able to effect in the purchase of the said bags, or twine, or both.

8. The contract may not be sublet or transferred without the permission of the Commissioner of Salt Revenue.

9. The Commissioner of Salt Revenue does not bind himself to accept the lowest or any tender and will give no reasons for his rejection of tenders.

10. Samples of the bags and twine now in use for the transport of salt may be seen, and all further information obtained, on application at the Office of the undersigned.

GUNNY BAGS AND TWINE.

Tenders invited for.

The Commissioner of Salt Revenue, Madras Presidency, hereby invites sealed tenders to be presented at his Office on or before Monday, the 5th day of January 1880, for the supply of—

I.—Fifty thousand (50,000) two-maund gunny bags suitable for the conveyance of salt in boats; and

II—Fifty (50) candies of five hundred (500) lbs. each of twine suitable for stitching up the said salt bags.

2. Tenders must state the rates of delivery in the Madras Salt Depot per 100 bags and per candy of twine respectively. They may be for the supply of the whole quantity of bags and twine required, or for any portion thereof not being less than five thousand (5,000) bags or five (5) candies of twine. They must be accompanied by samples and by a deposit of Rupees five hundred (500) in cash or Currency Notes, which will, on application, be returned to those persons whose tenders may not be accepted. They will be opened by the Commissioner on Tuesday, 6th January 1880, at his Office at 2 P.M., when all persons interested will be at liberty to attend in person or by agent.

3. The successful tenderer will be required to enter into an agreement on or before 9th January 1880 for the delivery of one-half of the bags, or twine, or both, for which his tender is accepted, on or before the 10th of March 1880, and of the other half within thirty days thereafter; and at the same time to furnish security in the sum of Rupees fifteen hundred (1,500) in cash or Currency Notes (including the sum of Rs. 500, above-mentioned), or in Government Promissory Notes endorsed in the name of the Commissioner of Salt Revenue for the time being (in which latter case the prior deposit of Rs. 500 will be at once returned), for the proper performance of his agreement. Provided always that in case any tender is accepted for any number of bags or quantity of twine less than the whole number or quantity required, a proportionate reduction will be made in the amount of security required. But in no case will a smaller sum than Rupees five hundred (500) be accepted as security.

4. The bags and twine will be examined on delivery by a Committee appointed by the Commissioner, and payment will be made within three days for all passed as corresponding with the samples accompanying the accepted tender. All bags and twine rejected by the Committee must be replaced by articles satisfactory to them within three days, failing which the Commissioner will proceed to supply the deficiency by purchase at his discretion in the local market at the expense and risk of the contractor. In case the Committee shall be equally divided in opinion, or if the contractor shall dispute their decision on any matter, it shall be referred for the orders of the Commissioner, which shall be final and conclusive and liable to no question or appeal whatsoever.

5. Failure to execute agreement and furnish deposit as required by clause 2 hereof will entail forfeiture of the deposit of Rupees five hundred (500).

6. Failure to supply bags, or twine, or both, as the case may be, will entail the forfeiture of the deposit made under clause 3 hereof, or of so much thereof as to the Commissioner of Salt Revenue shall seem equitable.

7. In case of such failure as is above mentioned in clauses 5 and 6 hereof, the Commissioner of Salt Revenue shall be at liberty to make such arrangements as he thinks fit for procuring the bags, or twine, or both, at the risk and expense of the successful tenderer, who shall be responsible for any loss or damage caused by such failure, but who shall not be entitled to share in any savings which, in such case, the Commissioner may be able to effect in the purchase of the said bags, or twine, or both.

8. The contract may not be sublet or transferred without the permission of the Commissioner of Salt Revenue.

9. The Commissioner of Salt Revenue does not bind himself to accept the lowest or any tender and will give no reasons for his rejection of tenders.

10. Samples of the bags and twine now in use for the transport of salt may be seen, and all further information obtained, on application at the Office of the undersigned.

Commr. of Salt Revenue,
Madras Presidency.

GUNNY BAGS AND TWINE.

Tenders invited for.

The Commissioner of Salt Revenue, Madras Presidency, hereby invites sealed tenders to be presented at his Office on or before Monday, the 5th day of January 1880, for the supply of—

I.—Fifty thousand (50,000) two-maund gunny bags suitable for the conveyance of salt in boats; and

II.—Fifty (50) candies of five hundred (500) lbs. each of twine suitable for stitching up the said salt bags.

2. Tenders must state the rates of delivery in the Madras Salt Depot per 100 bags and per

candy of twine respectively. They may be for the supply of the whole quantity of bags and twine required, or for any portion thereof not being less than five thousand (5,000) bags or five (5) candies of twine. They must be accompanied by samples and by a deposit of Rupees five hundred (500) in cash or Currency Notes, which will, on application, be returned to those persons whose tenders may not be accepted. They will be opened by the Commissioner on Tuesday, 6th January 1880, at his Office at 2 P.M., when all persons interested will be at liberty to attend in person or by agent.

3. The successful tenderer will be required to enter into an agreement on or before 9th January 1880 for the delivery of one-half of the bags, or twine, or both, for which his tender is accepted, on or before the 10th of March 1880, and of the other half within thirty days thereafter; and at the same time to furnish security in the sum of Rupees fifteen hundred (1,500) in cash or Currency Notes (including the sum of Rs. 500, above-mentioned), or in Government Promissory Notes endorsed in the name of the Commissioner of Salt Revenue for the time being (in which latter case the prior deposit of Rs. 500 will be at once returned), for the proper performance of his agreement. Provided always that in case any tender is accepted for any number of bags or quantity of twine less than the whole number or quantity required, a proportionate reduction will be made in the amount of security required. But in no case will a smaller sum than Rupees five hundred (500) be accepted as security.

4. The bags and twine will be examined on delivery by a Committee appointed by the Commissioner, and payment will be made within three days for all passed as corresponding with the samples accompanying the accepted tender. All bags and twine rejected by the Committee must be replaced by articles satisfactory to them within three days, failing which the Commissioner will proceed to supply the deficiency by purchase at his discretion in the local market at the expense and risk of the contractor. In case the Committee shall be equally divided in opinion, or if the contractor shall dispute their decision on any matter, it shall be referred for the orders of the Commissioner, which shall be final and conclusive and liable to no question or appeal whatsoever.

5. Failure to execute agreement and furnish deposit as required by clause 2 hereof will entail forfeiture of the deposit of Rupees five hundred (500).

6. Failure to supply bags, or twine, or both, as the case may be, will entail the forfeiture of the deposit made under clause 3 hereof, or of so much thereof as to the Commissioner of Salt Revenue shall seem equitable.

7. In case of such failure as is above mentioned in clauses 5 and 6 hereof, the Commissioner of Salt Revenue shall be at liberty to make such arrangements as he thinks fit for procuring the bags, or twine, or both, at the risk and expense of the successful tenderer, who shall be responsible for any loss or damage caused by such failure, but who shall not be entitled to share in any savings which, in such case, the Commissioner may be able to effect in the purchase of the said bags, or twine, or both.

8. The contract may not be sublet or transferred without the permission of the Commissioner of Salt Revenue.

9. The Commissioner of Salt Revenue does not bind himself to accept the lowest or any tender and will give no reasons for his rejection of tenders.

10. Samples of the bags and twine now in use for the transport of salt may be seen, and all further information obtained, on application at the Office of the undersigned.
